Count on me through thick and thin

A friendship that will never end

When you are weak, I will be strong

Hoping you to carry on

Call on me, I will be there

Don't be afraid

Please don't hate me when I say

Be strong

I can see it's hurting you

I can feel the pain

It's hard to see the sunshine through the rain, oh

I know sometimes it seems as if

It's never gonna end

But you'll get through it

Just don't give in 'cause you can

Count on me through thick and thin

A friendship that will never end

When you are weak, I will be strong

Hoping you to carry on

Call on me, I will be there

Don't be afraid

Please believe me when I say

Count on, you can count on me

(oh yes you can)

I know sometimes it seems as if

We're standing all alone

But we'll get through it

'cause love won't let us fall

Count on me through thick and thin

A friendship that will never end

When you are weak, I will be strong

Hoping you to carry on

Call on me, I will be there

Don't be afraid

Please believe me when I say

Count on

There's a place inside of all of us

Where our faith in love begins

You should reach to find the truth in love

The answers there condesend, oh

I know that life can make you feel

It's much harder than it really is

But we'll get through it

Just don't give in

Count on me through thick and thin

A friendship that will never end

When you are weak, I will be strong

Hoping you to carry on

Call on me, I will be there

Don't be afraid

Please believe me when I say

Count on

Count on, count on, count on, count on, count on, count  
on me
