I was like peace in a groove
On a sunday afternoon
You were there so was i
In the park 4th of july
I was chillin' with my kool-aid
When miss chilli came to relay
That you had a thang for me
Finest thang you'd ever seen

I must admit to you
I've heard them lines a time or two
Although for some apparent reason
Monkey lines are now in season
Lights off, lights on
I guess the groove is on so I am

Diggin' the scene
Diggin' on you
Diggin' on me
Baby bay-ooo-baby baby
It's on like that
It's on like that
I gotta be in love or somethin' like that

I was like deep in a cool
What'nt gone be nobody's fool
Could not care less who was there
Could've been like anywhere
I was chillin' with my kool-aid
Did not want to participate
In no silly conversations
Had no time for new relationships

I must admit to you
When I heard the lines you threw
Although it usually turns me off
But this time you have turned me on
Lights off, lights on
I guess the groove is on and I am

Oh why do I feel the way I do
When all I can think about is you
Diggin' diggin' diggin' on you
What was it in a line
That made me fall for you
Do you know
Why I'm diggin' diggin' diggin' diggin' on you

Diggin' diggin' diggin' diggin' on you
