Written by don parks, daryl simmons, kayo  
(1989) Performed by after 7 I'm having fun, but all that  
I don't hasn't always been right They say I misuse,  
that I break the rules But that won't get me uptight Now  
they're telling me what I can never be And always  
tryin' to bring me down But I'm so strong, I'll prove  
them wrong No matter what they say, I'm telling you  
right now Don't cha' think it bothers me I think it  
bothers me I will never bother me, oh no Don't cha'  
think it bothers me I think it bothers me I will never  
bother me, oh no Oh oh Oh oh Oh oh No I've been  
around and been up and down This roller coaster of  
life Now people see what all I've achieved But there are  
some who still try To criticize, I don't know why But I  
think it's jealousy But I stayed strong and proved them  
wrong 'cause nothing in the world will ever bother  
me Hook Oh oh Oh oh Oh oh, oh No Oh oh Oh oh oh,  
oh No Don't cha' think it bothers me I think it  
bothers me I will never bother me Don't cha' think it  
bothers me I think it bothers me I will never bother  
me Times are hard but I've got to make it Tried to  
bring me down but I had to take it The road is rough  
and I'm here to tell ya I've had enough, not givin'  
up I never believe the things they say about me Nothing  
in life is ever going to stop me Jealousy, envy, don't  
wanna make an enemy Keep on keepin' on to the  
top No, no, no, no No, no, no, no No, no, no, no No, no,  
no, no No, no, no, no No, no, no, no No, no, no,  
no, no Hook
