I'm having fun, but all that I done
It hasn't always been right
They say I misuse, that I break the rules
But that won't get me uptight
Now they're telling me what I can never be
And always tryin' to bring me down
But I'm so strong, I'll prove them wrong
No matter what they say, I'm telling you right now

Don't cha' think it bothers me
If you think it bothers me
It will never bother me, oh no
Don't cha' think it bothers me
If you think it bothers me
It will never bother me, oh no

Oh oh
Oh oh
Oh oh
No

I've been around and been up and down
This roller coatsre of life
Now people see what all I've achieved
But there are some who still try
To criticize, I don't know why
But I think it's jealousy
But I stayed strong and proved them wrong
'cause nothing in the world will ever bother me

Oh oh
Oh oh
Oh oh, oh
No

Oh oh
Oh oh

Oh oh, oh
No

Don't cha' think it bothers me
If you think it bothers me
It will never bother me
Don't cha' think it bothers me
If you think it bothers me
It will never bother me

Times are hard but I've got to make it
Tried to bring me down but I had to take it
The road is rough and I'm here to tell ya
I've had enough, not givin' up
I never believe the things they say about me
Nothing in life is ever going to stop me
Jealousy, envy, don't wanna make an enemy
Keep on keepin' on to the top

No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no

No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no
