Performed by shanice

Don't wanna love ya, don't wanna touch ya
Don't wanna kiss ya, don't wanna miss ya

Don't want your name or your number
'cause I don't wanna give you a call
Don't wanna end up your lover
Ooh, I don't wanna know you at all

Because you won't see my finer qualities
You mess up everyhting that you ever touch
Because it won't be long before you do something
wrong
I won't stick around and be torn, that's why i

Don't wanna love you, don't wanna want ya
Don't want ya near my heart (I don't want ya near my
heart)
Don't wanna kiss ya, turn around and miss ya
Stop me baby before I start

Hook

Don't wanna be like the others
'cause I don't wanna end up alone
Won't let ya walk on my feelings
I see to you it doesn't matter that you could do me
wrong

You know I heard everything 'bout your history
Only a fool would fall in love with ya now, yeah
But boy I just don't think that you'd be, be good for me
I won't stick around and be torn

Hook 2 times

Don't wanna love ya, don't wanna touch ya, don't want
ya near my heart
Don't wanna kiss ya, don't wanna miss ya, don't want
ya near my heart

You know I heard everything 'bout your history
Only a fool would fall in love with ya now, yeah
But boy I just don't think that you'd be, be good for me
And I won't stick around and be torn

Hook 3 times
