So maybe things did not work out this time  
Baby don't blame it on yourself  
Maybe the guy you chose is not quite right  
And that's not an easy thing to tell

So don't cry don't take it quite so hard  
It's truly not the end of your world  
It's not impossible, you'll find true love again  
You gotta open up your heart to know

Don't you deserve someone (baby)  
Don't you deserve true love  
Don't you deserve a chance at true romance  
Baby come take a chance with me

Baby the love you lost was not your type  
So you got to get him out of your head  
Baby, baby, baby  
Love is a gamble, but it can be so nice

So put all your crazy thoughts to bed  
So do try, it's really not that hard to open up yourself to  
me girl  
It's more than possible you'll fall in love again  
It's time to open up your heart for love

I gotta be the one you want  
I gotta be the one you need  
I gotta be the one you're looking for  
Don't you deserve a chance  
At true romance  
Baby come take a chance with me

Baby don't blame yourself  
How could you really tell  
Baby don't take it quite so hard lay all your thoughts to  
bed

Get them all out your head

I swear, I swear, I swear, I swear

I love you so good

I should be the one you love
