Girl it's been a long, long time comin', yes it has  
But I, I know that it's been worth the wait, yeah  
It feels like springtime in winter  
It feels like Christmas in June  
It feels like heaven has opened up  
It's gates for me and you

Every time I close my eyes  
I thank the Lord that I've got you  
And you've got me too  
And every time I think of it  
I pinch myself 'cause I don't believe it's true  
That someone like you loves me too

Girl I think that you're truly somethin'  
Yes you are, yeah  
And you're, you're every bit  
Of a dream come true, yes you are yes

With you baby, it never rains and it's no wonder  
The sun always shines when I'm near you  
It's just blessing that I have found somebody like you

Every time I close my eyes  
I thank the Lord that I've got you  
And you've got me too  
And every time I think of it  
I pinch myself 'cause I don't believe it's true  
That someone like you loves me too

To think of all the nights I've cried myself to sleep  
You really ought to know how much you mean to me  
It's only right, it's only right  
That you be in my life right here with me  
Oh baby, baby, yeah

I'll tell you girl that  
Every time I close my eyes  
I thank the Lord that I've got you  
And you've got me too  
And every time I think of it  
I pinch myself 'cause I don't believe it's true

That someone like you loves me too

Loves me too
