You've been hanging out without your girlfriends  
And they've been hanging out at all the clubs  
And you've been making eyes at all their boyfriends  
Have I complained? Not even once

So tell me how can you  
Expect me to be cool  
While you're playing silly games with my love  
Darlin' I won't accept you  
Putting blame on me  
You know that I'm the innocent one

Now haven't I been faithful  
Haven't I been true  
But you're not even grateful  
Hey, what's a guy to do

*[HOOK]*

You've been talking to your ex-girlfriends  
They're always calling you up on the phone  
Yet you insist they really don't mean nothing  
Then tell me why can't you just leave them alone

So tell me how can you  
Expect me to be true  
While you're playing silly games with my heart

Darlin' I won't accept you  
Putting blame on me  
You know that I'm the innocent one

Now haven't I been faithful  
Haven't I been true  
But you're not even grateful  
Ooh, what's a girl to do

*[HOOK]*

Girl, I'm giving all I have  
Just to prove my love is cool

Boy, I'm giving all my love  
So that you will know my love is true

Now haven't I been faithful  
Haven't I been true  
But you're not even grateful  
Ooh, what's a girl to do (what's a guy to do)

Now haven't I been faithful  
Haven't I been true  
But you're not even grateful  
Ooh, what's a girl to do (what's a guy gonna do)

Now haven't I been faithful  
Haven't I been true  
But you're not even grateful  
Ooh, what's a girl to do (what is a guy to do)
