Everybody needs a little time away  
I heard her say, from each other  
Even lovers need a holiday  
Far away from each other

Hold me now  
It's hard for me to say I'm sorry  
I just want you to stay

And after all that you've been through  
I will make it up to you, I promise you  
And after all that's been said and done  
You're just a part of me I can't let go

Couldn't stand to kept away  
Not for a day, from your body  
(baby, I can't live without you, not even a day)  
Wouldn't wanna be swept away  
Far away from the one that I love

Hold me now  
It's hard for me to say, I'm sorry  
I just want you to know (you to know)  
Hold me now  
I really wanna tell you I'm sorry  
I could never let you go

And after all that we've been through  
I will make it up to you, I promise you  
And after all that's been said and done  
You're just a part of me I can't let go  
(I can't let go)
