I don't like our situation  
Things gotta change around here  
But I don't see no indication  
That that change is very near

'cause every time I look in your eyes  
I see the girls and all of the lies you tell me  
Just when I thought things are all right  
No way, my mistake  
You never change

Here comes the pain again  
Here comes that pain you bring to me  
Here comes that same old pain again  
Well, I don't feel much like feelin' that pain

Call it woman's intuition  
But I don't feel like you're sincere  
And I get these premonitions  
That you'll have me back in tears

'cause every time I give you my heart  
You take it and you tear it apart so slowly  
Just when I think love is alive  
No way, my mistake  
You let it die

Here comes the pain again  
Here comes that pain you bring to me  
Here comes that same old pain again  
Well, I don't feel much like feelin' that pain (again)  
Well, I don't feel much like feelin' that pain

I didn't give my heart  
To have it torn apart  
I gave my best  
Hopin' someday things might  
Change for me  
Though I can't foresee

I just know that you'll bring back the pain

Hook

Don't wanna love you no more  
I'm through with love for sure

Well, I don't feel much like feelin' that pain

I don't want to go 'round  
Tired of bein' let down

Well, I don't feel much like feelin' that pain (again)  
That pain again
