Baby, it was uncool to love me
Then leave me standing here now
Without a goodbye
And maybe I am the fool you call me
â€™cause Iâ€™ll be here standing waiting
To hear you say to me
Iâ€™m ready
To love you forever
Hey love now
Come and love me forever more
Iâ€™m ready
To love you forever
Hey love now
Come and love me forever more
Sometimes, when Iâ€™m alone
I feel sad
I know youâ€™ll leave me once again
And take my pride
And maybe I am the fool you call me
â€™cause Iâ€™ll be here standing, waiting
To hear you say to me
Hook
And once again Iâ€™ll be right here
Waiting to share your love
But I hope this time, for once
Weâ€™ll forever mend it up
Hook 2 times, ad lib to fade
