[Verse 1]

Maybe I was scared
Just a little bit confused
Yes
To do all the things that I did, to hurt you, like that
But if I had a second chance
I'd be a better man, yes I will
There'd be no more tears on your face
You could trust in me again
Once again

[Chorus]

And I promise I'll love you
Til the end of our days
I promise I'll love you
Baby I'll change
I promise I'll love you
Lets start over again
Again, again.
All the things that I wasn't
I promise to be
Just give me a chance
A changed man you will see
That's a promise you can put that down on everything
A promise, from me
Oohh yea, from me

[Verse 2]

Now that you're gone,
Girl I understand, I really do
How it feels to reach out someone
And find there aint nobody there
See, when i should have been right there holding you
No one's softer at heart, than you
There'll be no more cheese or rainy days
I'd give anything just to see you smile once again
Ohh baby

[Chorus]

And I promise I'll love you
Til the end of our days

I promise I'll love you
Baby I'll change
I promise I'll love you
Let's start over again
Again, again.
All the things that I wasn't
I promise to be
Just give me a chance
A changed man you will see
That's a promise you can put that down on everything
A promise, from me
Oohh yea, from me

[Verse 3]

I learned the grass wasn't greener
When you get to the other side
Girl, I learned from my mistakes
I wanna make it up somehow
Without you nothing's going right
I just need you back in, back in my life

[Chorus X2]

And I promise I'll love you
Til the end of our days (til the end of our days)
I promise I'll love you
Baby I'll change (I'll change)
