I said I love you baby, I said I care  
So, when I tell you that I love you, darlin'  
Would you understand that it means  
That I'm always gonna be there, you see

I'm not gonna leave you  
I ain't goin' nowhere  
When I tell you I love you, baby  
Cross my heart, I'll be there

Baby, come to me  
I will chase your tears away  
Put your trust in me  
Girl, I swear I'll never change

Darling, you will see  
That my love is here to stay  
And I promise you, I will be true  
From here and now, forever, girl, I

I said I love you  
(Ooh baby)  
I said I care  
When I tell you I love you  
It means I always will be there  
(Yes)

I'll never leave you  
I ain't goin' nowhere  
(Baby)  
When I tell you I love you  
Cross my heart, I will be there

Open up your heart  
Don't be afraid to love again  
We can take it slow  
(Take it slow)  
You should know I understand  
(I understand)

Baby, take your time  
(Take your time)

I don't care how long it takes  
'Cause I promise you, I'm here for you  
From here and now, forever, girl, I

I said I love you  
(I told you I love you)  
I said I care  
(Yes)  
So when I tell you I love you  
Means I always will be there  
(I'll always be there, baby, say it)

I'll never leave you  
(I'll never leave, baby)  
I ain't goin' nowhere  
(I'm not goin' nowhere, baby)  
When I tell you I love you  
Cross my heart, I will be there

And I will be there for you, baby  
(And I will be there for you)  
Forever sincere to you, yes  
(Forever sincere to you)  
I just wanna share my life with you  
Right here, right now, forever, girl, I

Said I love you  
(Ooh baby)  
I said I care  
When I tell you I love you  
Means I always will be there  
(I'm gonna be there for you)

I'll never leave you  
(And I'll never leave)  
I ain't goin' nowhere  
When I tell you I love you  
Cross my heart, I will be there

'Cause I said I love you  
(Said I love you)  
I said I care  
I'm tellin you, I said I care  
(I said I care)  
When I tell you I love you  
Means I'll always will be there

'Cause I'll never leave, I'll never leave  
(I'll never leave you)  
I ain't goin' nowhere
