I still love you babe  
I'm still for you girl  
I'll never leave you baby  
'cause I realize I need you in my life

Girl it just ain't right  
What we said last night  
'cause I know we didn't mean it  
You feel the love is gone  
'cause we don't get along  
But I can prove you wrong  
Girl I swear

'cause everytime I close my eyes I see you  
And how I wanna live my life with you  
There is no one  
You're all I need and all I want  
The only one I'll ever love  
Hook

In this relationship we spend alot of time  
Now it would be wrong if everything was always fine  
Girl, I know we've had our share of ups and downs  
But it doesn't mean that we can't work this out  
Oh baby girl, I care, yeah  
You know I do

'cause everytime I close my eyes I see you  
And how I wanna live my life with you  
There is no one else  
You're all I need and all I want  
The only one I'll ever love

Hook

No, oh girl, I know I need ya baby

'cause everytime I close my eyes I see you  
And how I wanna live my life with you  
There is no one else  
You're all I want and all I need  
The only one I'll ever love
