## "If We Try"

Visit "[If We Try](#)" on [MotoLyrics.com](#)

We go through changes  
Time after time  
I guess that's just life  
Feelings we can't express  
We only hide  
Deep down inside

Who needs another sad affair  
Girl, if we care  
We'll end it right here  
We could be lovers  
If we'd only share  
All that we feel  
But we must be sincere

I know we've been  
Been here so many times before  
But don't you think  
Think that our love's worth fighting for

If we try  
Just one more time, ohh baby  
If we try  
Then I'll know we'll get by, baby  
If we try  
Just one more time  
If we try  
Then I'll know we'll get by

Our love is gentle  
And it's give and take  
It's all above the vows we make  
Whether we honor them  
With love and trust  
It's all up to us

Who needs another sad affair  
Girl, if we care  
We'll end it right here  
We could be lovers  
If we'd only share  
All that we feel

But we must be sincere

I know we've been  
Been here so many times before  
But don't you think  
Think that our love's worth fighting for

If we try  
Just one more time, baby  
If we try  
Then I'll know we'll get by  
If we try  
We've got to try it just one more time  
If we try  
Then I'll know we'll get by
