Written by babyface (1995)

Performed by faith evans

And I can't believe it's real
I can't believe it's you
Can't believe it's happening
Can't believe it's true
And I can't believe that you are here with me
And I am here with you
Softly kissing you
Forever kissing you
Kissing you

And I can't believe my eyes
I don't know what to do
Can't believe you are mine
Not that I'm lying here with you
And I can't believe you're making love with me
And I'm making it with you
Softly kissing you
Forever kissing you
Kissing you

Through the night
I feel fire
And there's nothin but you in my mind
As you quench me all of my desires
And I melt in ecstasy

And I can't believe it's real
Can't believe it's true
Can't believe that you chose me
When I was choosing you
And I can't believe that you are here with me
And I am here with you
Softly kissing you
Forever kissing you
Oh gently kissing you
Kissing you
Kissing you
Kissing you
