Lady if you care for me then let me know  
That you care for my sweet lady  
I want to care for you for the rest of our lives  
That what i want to hear  
I don't mean to be a bore but  
I was hoping you would know what  
Just what you feel girl  
What you feel inside  
And the reason I'm incisting  
Cause my heart just needs convincing  
That you care  
Before i ask of you to be my

>>Lady Lady Lady  
For the rest of our lives  
Can we take forever till the end of all time?  
Lady Lady  
Say you'll be mine always  
My lady till end of all time

Lady will you please grant me my miricle?  
And say you'll be my lady  
And cherish me till the day that we die  
That what i need to hear  
I'm not even sure you know what  
What i feel inside nor how much  
How much i love you  
You're my whole damn life  
And the reason why i pressure  
You because i need to measure  
How you feel before i ask of you to be my lady

>>Lady Lady Lady  
For the rest of our lives  
Can we take forever till the end of all time?  
Lady Lady  
Say you'll be mine always  
My lady till end of all time

If there's one thing i know  
Girl i'm sure how much i love you

But i'm not quiet sure you're feeling quiet the same  
Could you pleast let me know  
If i do anything for you oh lady  
Could you let me know right away

Courus to end
