You sweet young thang you  
Whatever you do lord knows you do it nice and easy  
You keep it nice and long  
You sexy thang you  
Whatever it is you want from me you know I'll satisfy  
Just keep the love at home

You give me pleasure  
Unlike any pleasure that I've felt or ever seen  
I can't get enough of you in me  
You know I treasure  
Each and every waking moment that you spend with  
me  
I'm in ecstasy

Let's do it again  
'cause I love to make sweet love to you baby  
Let's do it again  
I wanna go all night long  
Let's do it again  
'cause I love to make sweet love to you baby  
Let's do it again  
I wanna go all night long

You precious thang you

I love what you do when you do  
And you do it oh so special  
I don't see nothin' wrong  
With nothing 'bout you  
Whatever it is that makes you feel so very special  
A baby please please keep it on

I so desire  
Everything about you and I want you to be close to me  
As close as close could ever be  
Come light the fire  
That waits for you and yearns for you that burns inside  
of me

Take me to ecstasy
