The Loneliness lyrics

[Verse 1]

Im sitting here  
Thinking bout  
How im gon-na do without  
You around in my life and how am I  
I gon' get by  
I ain't got no days  
Just lonely nights  
You want the truth  
Well girl im not alright  
Feel out of place and out of time  
I think im gonna lose my mind

[Chorus]

So tell me how you feel (im lonely)  
Are you for real (so lonely)  
Do you still think of me (i think of you)  
Baby still (You only)  
Do you dream of me at night (like i dream of you all the time)  
So let me tell you how it feels (its like everyday i die)  
Wish i was dreaming but its real (when i open up my eyes)  
Let me tell you how it feels (and don't see your pretty face)  
I think that i will never love again

[Verse 2]

I miss your face  
I miss your kiss  
I even miss the arguments  
That we would have from time to time  
I miss you standing by my side  
I'm dying here its clear to see  
There ain't no you, God knows there ain't no me  
Don't wanna live, I wanna die  
If I cant have you in my life

[Chorus (repeat till end)]

So tell me how you feel (im lonely)  
Are you for real (so lonely)  
Do you still think of me (i think of you)

Baby still (You only)  
Do you dream of me at night (like i dream of you all the  
time, so lonely)  
Oh let me tell you how it feels (its like everyday i die)  
Wish i was dreaming but its real (when i open up my  
eyes)  
Let me tell you how it feels (and don't see your pretty  
face)  
I think that I will never love again
