Loves been so nice  
Loves been so right  
Loves been so nice  
Loves been so right

I've been in love, many times before  
But never has my love, ever been so sure  
Girl I'm so glad, that you could care  
So much for me  
The girl is so bad, I can't believe  
She belongs to me

Loves been so nice  
Since you've been around  
Loves been so right

I've been waiting for your love

But love has been over due  
Well never did I dream girl  
I'd find love so true  
Girl I'm so glad, that I found you  
You are my dream come true  
Girl I'm so glad, I can be with you  
You are my dream come true

Hook

And I want you girl  
And I need you darlin'  
And I want  
And I need  
Got to have your love
