Baby, oh yeah
Baby, oh yeah

You don't ever bring no drama to the game
And my drama don't be scaring you away
You don't ever talk to much
Exactly just enough
You know how and when and where and what to say

It aint like i gotta tell you your so fine (your so fine)
You been gettin complements since you was nine
(damn)
Its like your perfect
A dimond in the rough
I knows you give me nothin but love (love)

You are such a mad sexy cool girl
How does someone turn into you girl
How do you explain
What you do
What you say
How you be
How you play
How you love
Everyday
How your constantly the same
How you give
Never hate
And you don't ever change
Be consistantly that way
Your a mad sexy cool girl, and i love you that way
Baby, oohhhhh

You be ruling with a certain shade of cool (shade of cool)
I don't know no body half as fresh as you
I be checkin your behaviour
Oh baby you got so much flavour
Sometimes i wanna call you juicy fruit (juicy)

It aint like i gotta tell you your a star (your a star)
You be shining and be sparkling in the dark

Girl you so perfect
You my dimond in the rough
I know you give me nothin else by love

You are such a mad sexy cool girl
How does someone turn into you girl
How do you explain
What you do
What you say
How you be

How you play
How you love
Everyday
How your constantly the same
How you give
Never hate
And you dont ever change
Be consistantly that way
Your a mad sexy cool girl, and i love you the same

(baby) how does someone
So beautiful
So approachable
None so adourable
(baby) guess your my kinda wonderful
My dream come true

You are such a mad sexy cool girl (sexy cool girl)
How does someone turn into you girl (into you girl)
How do you explain
What you do
What you say
How you be
How you play
How you love
Everyday
How your constantly the same
How you give
Never hate
And you dont ever change
Be consistantly that way
Your a mad sexy cool girl

You are such a mad sexy cool girl (ohh baby yes you
are)
How does someone turn into you girl (turn into you)
How do you explain
What you do
What you say
How you be

How you play (ooohh)
How you love
Everyday
How your constantly the same
How you give
Never hate
And you dont ever change (never change)
Be consistantly that way
Your a mad sexy cool girl
(Your a mad sexy cool girl)

Baby (fade out)
How does someone turn into you girl
How do you explain
What you do
How you be
How you play
How you love
Everyday
How your constantly the same
