Yeah, wish I told her how I feel  
Maybe she'd be here right now  
But instead

I pretend that I'm glad you went away  
These four walls close in more everyday  
And I'm dying inside, and nobody knows it but me

Like a clown I put on a show  
The pain is real even if nobody knows  
Now I'm cryin' inside and nobody knows it but me

Why didn't I say the things I needed to say?  
How could I let my angel get away?  
Now my world is just tumblin' down  
I can see it so clearly but you're nowhere around

The nights are lonely, the days are so sad  
And I just keep thinkin' about the love that we had  
And I'm missin' you, and nobody knows it but me

I carry a smile when I'm broken in two  
Now I'm nobody without someone like you  
I'm tremblin' inside, and nobody knows it but me

I lie awake, it's a quarter past three  
I'm screamin' at night as if I thought you'd hear me  
Yeah, my heart is callin' you and nobody knows it but  
me

How blue can I get, you could ask my heart  
But like a jigsaw puzzle its been torn all apart  
A million words couldn't say just how I feel  
A million years from now you know I'll be lovin' you still

The nights are lonely, the days are so sad  
(Nights are lonely, oh, so sad)  
And I just keep thinkin' about the love that we had  
And I'm missin' you, and nobody knows it but me

Tomorrow morning, I'll hit the dusty road  
Gonna find you wherever, ever you might go

I'm gonna unload my heart and hope you come back to me

(Said, when the nights are lonely)  
The nights are lonely  
(Since you've been gone away)  
The days are so sad  
(And I've been missing you, baby)

And I just keep thinkin' about  
The love that we had  
(I always thought you'd be right by my side)  
And I'm missin' you  
(Yeah)  
And nobody knows it but me  
(Nobody knows it, no, nobody but me)

The nights are lonely, the days are so sad  
And I just keep thinkin' about the love that we had  
And I'm missin' you, and nobody knows it but me
