While all the time that I was lovin' you  
You were busy lovin' yourself  
I would stop breathin' if you told me to  
Now you're busy loving someone else  
Eleven years, out of my life  
Besides the kids I've got nothing to show  
Wasted my years, a fool of a wife  
I shoulda left your ass long time ago

Well I'm not gon' cry  
I'm not gon' cry, I'm not gon' shed no tears  
No I'm not gon' cry, it's not the time  
'cause you're not worth my tears

I was your lover and your secretary  
Working every day of the week  
Was at the job when no one else was there  
Helping you get on your feet  
Eleven years of sacrifice  
And you can leave me at the drop of a dime  
Swallowed my fears, stood by your side  
I shoulda left your ass a thousand times

I know there are no guarantees  
In love you take your chances  
But somehow it seems unfair to me  
Look at the circumstances  
Through sickness and health, 'til death do us part  
Those were the words that we said from our hearts  
So now when you say that you're leaving me  
I don't get that part

I was your lover and your secretary  
Working every day of the week  
Was at the job when no one else was there  
Helping you get on your feet  
Eleven years of sacrifice

And you can leave me at the drop of a dime  
Swallowed my fears, stood by your side  
I shoulda left your ass a thousand times
