Written by I.a. reid, babyface (1989)

Performed by the jacksons

I'll give my all and all
To you and no other woman
Never will I let you down
Never will I do wrong
And I'll give my heart and soul
And hope that you will never let me go
Never had a woman so fine

And I give my love completely
Will u love me in return
And if it's in your heart then show me
Then you'll never have to worry
Cause I'll always be around, 'cause there ain't

Nothin
And I do mean nothin
Nothin that compares 2 u
You're so fine that I'm scared of you
Nothin
And I do mean nothin
Nothin that compares 2 u
You're so fine that I'm scared of you

I'll give my everything
To you and have no other
Ever since I fell in love

Never have I been down
You've been the only one
Promise my one and only lover
Never has my love been so sound

And if you give your heart completely
I will never let you go
And I will love you girl so sweetly
You will never have to worry
Cause I'll always be around, 'cause there ain't

Hook 2 times

Hey jackie - do you want her?
Hey randy - do you love her?
Jermaine - do you need her?
Hey tito - you can't have her

And if I give my love completely
Will u love me in return
And if it's in your heart then show me
You will never have to worry
Cause I'll always be around
