No sense pretending it's over  
Hard times just don't go away  
You gotta take that chip off your shoulder  
It's time you open up  
Have some faith

Nothing good ever comes easy  
All good things come in due time  
You gotta have something to believe in  
I'm tellin' you to open your mind

Gotta put your heart on the line  
If you wanna make it right  
You've got to reach out and try  
Gotta put your heart on the line  
If you wanna get it right  
Gotta put it all on the line

You see yourself in the mirror  
And you don't like what you see  
And things aren't getting much clearer

Don't you think it's time you go for a change

Don't waste your time on the past, no no  
It's time you look to the future  
It's all right there if you ask  
This time if you try much harder  
You'll be the best you can be

Hook

If you wanna make it right  
And you wanna do it now  
Then you gotta learn to try  
Gonna make it worth your while  
Nothing in life comes free  
And that's just the way it is now  
You gotta go for what you want

You gotta do what you got to do

Hook 3 times
