How can I forget about the day I first met you
The way you walked into the room with so much
attitude
Sometimes people go through life searching for a sign
Girl I know that I found mine when I look into your eyes

Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know
Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know

Girl I lost my mind, I saw you dancin' on the floor
You looked so damn fly, sweat started comin' from my
pores
Sometimes people go through life searching for the
one
Girl I know that I found mine and I know it's love

Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know
Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know

Tell me when and if I can see you, how's about
tomorrow night
No one has to know what we do
Till you say it's alright
It's alright, it's alright baby, it's alright baby

Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know
Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know

Outside in, inside out, you do it for me, you knock me
out

A sight to see from head to toe, had to let you know
Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know

Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know
Outside in, inside out, you do it for me, you knock me
out
A sight to see from head to toe, had to let you know
