You're always there for me
Whenever I fall
Whenever I'm in need
You always know when to call
When I've come to my ends
I know I can depend on your loving me
Your touching me
Your constant faith and trust in me

And how can I tell you
How I love you so
Oh darling I just wanna tell you
That you're my pride and joy

Through thick and the thin
You were the strength for me

You wouldn't let me give in
At the end of the road
Somehow I've always known
That your trust in me
Your love in me
Got me to believe in me

You are my first and last thought of the day
You are my heartbeat
Without you I can't breathe
I can't imagine me without you in my life
You are my one soul inspiration
Without you I'll just die

Hook repeat to fade
