Top of the morning
Thinking of you
Plan my day
My list of to do

Stop at the cleaners
Pick up my suit
Make reservations for two
Buy you some flowers
Get you red roses

Make sure you notice
That I'm with you
'Cause this is my first night with you

So put on your red dress
Put on your dancing shoes
Put on some smell good
I wanna romance with you

I just want it perfect for you
One perfect night for two
Put on your red dress
It's going down for you

Call you at seven
Right on the dot
Pick you up early
Tonight's gonna be hot

Stop for some cocktails
Let's set the mood
Have a Martini Cosmo or two
Sit down for dinner
On Fifth Avenue

Baby go clubbing girl
Yeah just me and you
It's gonna be my first dance with you

So put on your red dress
Put on your dancing shoes

Put on some smell good
I wanna romance with you

I just want it perfect for you
One perfect night for two
Put on your red dress
It's going down for you

So put on your red dress
Put on your dancing shoes
Put on some smell good
I wanna romance with you

I just want it perfect for you
One perfect night for two
Put on your red dress
It's going down for you
