Just gonna chill tonight with you by my side
And look into your eyes
We gonna mellow out lay back on the couch
And maybe just unwind

And we don't care about what others might say
That we don't never ever go anyplace
'Cause we're all that we need
And that's where we want to be
'Cause we're so, so, so much in love

And that's the way love flows
That's the way it goes
On a Saturday night
Saturday yeah, S-S-Saturday
That's the way love flows
Everybody knows
Couldn't be more right
Saturday, S-S-Saturday

Maybe take a ride by the oceanside
And watch the sun go down
Play the radio, jam to somethin' slow
Hey, tell me how that sound baby

And as the night takes over the day
Let's initiate the love that we'll make
And that's just what we'll do
'Cause we're into me and you
'Cause we're so, so, so much in love

And that's the way love flows
That's the way it goes
On a Saturday night
Saturday yeah, S-S-Saturday
And that's the way love flows
Everybody knows
Couldn't be more right
Saturday, S-S-Saturday

And as the night takes over the day
Let's initiate the love that we'll make

And that's just what we'll do
'Cause we're into me and you
'Cause we're so, so, so much, so much in love

And that's the way love flows
That's the way it goes
On a Saturday night
Saturday yeah, S-S-Saturday
And that's the way love flows
Everybody knows
Couldn't be more right
Saturday, S-S-Saturday

And that's the way love flows
That's the way it goes
On a Saturday night
Saturday yeah, S-S-Saturday
And that's the way love flows
Everybody knows
Couldn't be more right
Saturday, S-S-Saturday

That's the way, way it flows
That's the way it goes
And that's the way love flows
Saturday, S-S-Saturday
Everybody knows
That's the way it goes
