This was the place of our first date
It was a place we love
That was the place we laughed
Where we had so much fun
There was the place I met her
That's where we fell in love
And it was the place where she broke my heart

So how do we tell this story
Of someone I love so much
When she lost her feelings for me
Oh how I miss her touch

Have you ever loved someone so much
It hurts like hell
To see the love that she once gave to you
She gives to someone else
Have you ever, ever, ever loved
To find yourself
To see the love she gave
The love you made
The joys and praise
She saved for someone else

She was a girl called beautiful
And I was so proud of she
How could a girl like here
Be with someone like me
There was I time I had her heart
And oh what a time it was
But I never thought that time
Would take my only true love

So how do we tell this story
Of someone I love so much
She lost her feelings for me
Oh I miss her touch

Hook 2 times

How do I tell this story
Of someone I love so much
She lost her feelings for me
Oh I miss her touch

Hook 2 times
