Somebody To Love

Written by Babyface(1999 from the album *Wonder No.8*,?)

Performed by Honeyz

Intro-spoken

Each day I pray

For love to come my way

And I'm still here looking

But not knowing where to find you

So I ask myself

Besoin d'aime

Besoin d't aime

Verse 1

I've been waiting for so very long

To find someone that I could call my own but I know

That one day I'll find the perfect love

The kind of love that every girl prays for

B-section

Sometimes I feel like I'm all alone

But I'm strong

So I keep holding on

'Til I find a love of my life

Chorus

(I need somebody to love me)

Someone to love me

(To love me)

For the rest of my life

(Sometimes when days get so lonely)

I need someone to hold me

(To love me)

Who'll make it all right

Verse 2

Some people wonder how a girl like me

Could even know, know the meaning of love

(Meaning of love)

I may be young, but I've been around

And yes, I know

That I've had my ups and my downs

I need someone who will stay with me till the end

So please tell me when

Will I find that special friend?

Chorus
