# "Sorry For The Stupid Things"

Visit "[Sorry For The Stupid Things](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Sometimes we wish for the better  
When we have it good as it gets  
Sometimes the grass isn't greener  
Sometimes we find out we forget  
Sometimes the fool doesn't know he's a fool  
Sometimes a dog he don't know he's a dog  
Sometimes I do stupid things to you  
When I really don't mean it all

Sometimes a man  
Is gon' be a man  
It's not an excuse  
It's just how it is  
Sometimes the wrong  
Don't know that they're wrong  
Sometimes the strong  
Ain't always so strong  
Sometimes a girl  
Is gon' be a girl  
She don't wanna deal with all the drama in your world  
God knows I don't mean to give it to you  
So girl I'm sorry for the stupid things I wish I didn't do  
but I do  
Oh so sorry, oh no, oh so sorry

Sometimes I wish I was smarter  
Wish I was a bit more like you  
Not making stupid decisions made at the last minute  
You live to regret when it's through

Well, sometimes the fool doesn't know he's a fool  
And sometimes a dog he don't know he's a dog  
Sometimes I do stupid things to you  
When I really didn't mean it all

Sometimes a man  
Is gon' be a man  
It's not an excuse  
It's just how it is  
Sometimes the wrong  
Don't know that they're wrong  
Sometimes the strong

Can't always be strong  
Sometimes a girl  
Is gon' be a girl  
She don't wanna deal with all the drama in your world  
God knows I don't mean to give it to you  
So girl I'm sorry for the stupid things I wish I didn't do  
but I do

Sometimes the fool doesn't know he's a fool  
Sometimes a dog he don't know he's a dog  
Sometimes I do stupid things to you  
When I really didn't mean it at all, at all

Sometimes a man  
Is gon' be a man  
It's not an excuse  
It's just how it is  
Sometimes the wrong  
Don't know that they're wrong  
Sometimes the strong  
Ain't always so strong  
Sometimes a girl  
Is gon' be a girl  
She don't wanna deal with all the drama in your world  
God knows I don't mean to give it to you  
So girl I'm sorry for the stupid things I wish I didn't do  
but I do
