Now I never thought that I'd be losing sleep at night
over you

Now I don't know what to do

I promised myself that I would not cry over you

Now I feel it all inside

Thoughts of you

Keep driving me crazy

And if I don't sleep

Then it won't even faze me

Some people call it love

I call it sprung on you - oh

Here we go

Here we go

I'm coming again

You got me messed up

I'm sprung on it

Here we go

Here we go

I'm coming again

You got me messed up

I'm sprung on it

I thought it would be easy to get over you

Now I see that it's not in me

I think I'm going crazy, going out of my mind trying to
find someone to take your place

Thoughts of you

Keep driving me crazy

And if I don't sleep

Then it won't even faze me

Some people call it love

I call it sprung on you - oh

Hook

When I'm all alone
There ain't nothing I can do
All I do is think of you
Ain't about to take my mind off you
You got me going round and round
My whole world's upside down
Let me love you baby, let me love you
Uhmhhh...here we go
Here we go

Hook 2 times
