Silly me, I tell myself takin' you for granted
I never loved nobody else
Silly me, silly, silly me
Silly me that's how I felt not being romantic
How could I let you fall out love?

Well, all I know is when I go home there is no one there
for me
And all this love I feel inside can't put no arms around
me
I wish that I could take things back turn back the hands
of time
A time when I was yours, a time when you were mine,
baby

I'm still in love with you, I don't know what to do
To feel this empty space in my heart, baby
I still have thoughts of you, of makin' love to you
And takin' sweet long walks in the park, baby
So how do I convince you to come back to my arms
To my heart?

Silly me I tell myself for not understanding
You needed love and nothing else
Silly me, silly, silly me
Silly me for lovin' you and never complimenting
Or telling you that you are my heart

Well, I know is when I go home, there is nothing there
for me
And all this love I feel inside can't put no arms around
me
I wish that I could take it back turn back the hands of
time
A time when I was yours, a time when you were mine,
baby

I'm still in love with you, I don't know what to do
To feel this empty space in my heart, baby
I still have thoughts of you, of makin' love to you
And takin' sweet long walks in the park, baby
So how do I convince you to come back to my arms

To my heart?

Must've been silly of me to think that you would be
The kind of girl to take my shit and not say one damn
thing

Must've been too blind to see or just not listening
To what your heart was tryin' to say
I only pushed your heart away, wasn't that just silly of
me baby?

I'm still in love with you, I don't know what to do
To feel this empty space in my heart, baby
I still have thoughts of you, of makin' love to you
And takin' sweet long walks in the park, baby
So how do I convince you to come back to my arms
To my heart?

I'm still in love with you, I don't know what to do
To feel this empty space in my heart, baby
I still have thoughts of you, of makin' love to you
