Performed by diana ross

I wanna know do you have style  
The kinda style that makes a woman wanna lose her  
mind  
And I wanna know can you make it worth my time  
Or will it be like all the rest, won't give your best  
Just fall behind

'cause I wanna know what turns you on  
Can you keep the lovin' strong  
'cause with me you don't have to ask  
'cause I'm the roni that'll give you what you need

Do you think that you could swing a little time with me  
Swing it, I'll be all that you need  
Do you think that you could swing a little time with me  
Swing it, I'll be all that you need

There's not a thing that I won't do  
Once I find the man that gives me love that kind of cool  
Take in a night by candlelight  
I want to be to you the one you never had before

'cause I wanna know what turns you on  
Can you keep the lovin' strong  
'cause with me you don't have to ask  
'cause I'm the roni that'll give you what you need

Hook 2 times

'cause I wanna know what turns you on  
Can you keep the lovin' strong  
'cause with me you don't have to ask  
'cause I'm the roni that'll give you what you need

Swing it, swing it, swing it with me  
Swing it, swing it, swing it with me  
Swing it, swing it, swing it with me  
Swing it, swing it, swing it with me

Hook 2 times
