Twas late December the news came  
And I got so excited, I cried all day  
And you were such a lovely, precious sight  
When I saw our baby in your eyes

CHORUS: It was like falling deep in love  
I heard the angels cry above  
I felt a blessing straight from God  
The day that you gave me a son

I called 'bout everyone I know  
Just think, I'll be a father 'cause of you  
There's no greater love than what you gave  
A brand new baby on the way

CHORUS  
Oh such tears of joy, I've never known  
I can't remember  
It's like a son, I've never heard  
I've never sung, but know the words

CHORUS
