"The Loneliness"

Visit "[The Loneliness](#)" on MotoLyrics.com

I'm sittin' here, thinkin' 'bout
How I'm gonna do without
You around in my life and how am I
I gon' get by
I ain't got no days just lonely nights
You want the truth, well girl I'm not alright
Feel out of place and out of time
I think I'm gonna lose my mind

So tell me how you feel
(I'm lonely)
Are you for real?
(So lonely)
Do you still think of me?
(I think of you)
Baby still
(Are you lonely?)
Do you dream of me at night
(Like I dream of you all the time)
So alone

Oh let me tell you how it feels
(It's like everyday I die)
Wish I was dreamin' but it's real
(When I open up my eyes)
Let me tell you how it feels
(And don't see your pretty face)
I think that I will never love again

I miss your face, I miss your kiss
I even miss the arguments
That we would have from time to time
I miss you standing by my side
I'm dying here it's clear to see
There ain't no you, God knows there ain't no me
Don't wanna live, I wanna die
If I can't have you in my life

So tell me how you feel
(Oh)
Are you for real?
(For real)

Do you still think of me?
(I think of you)
Baby still
(Are you lonely?)
Do you dream of me at night
(Is like I dream of you all the time)
So alone

Oh oh let me tell you how it feels
(It's like everyday I die)
Wish I was dreaming but it's real
(When I open up my eyes)
Oh let me tell you how it feels
(And don't see your pretty face)
I think that I will never love again
(Oh never I could never love again)

So tell me how you feel
Are you for real?
Do you still think of me?
Baby still
Do you dream of me at night?
Is like I dream of you all the time
So lonely, so lonely so

Oh let me tell you how it feels
(It's like everyday I die)
Wish I was dreaming but it's real
(When I open up my eyes)
Oh let me tell you how it feels
(And I don't see your pretty face)
I think that I will never love again
(I will never ever ever love again baby)

So tell me how you feel ?
(I'm lonely)
Are you for real
(Oh you for real)
Do you still think of me?
(Do you think of me, baby do you think of me?)
Baby still
Do you dream of me at night?
(Do you dream of me at night?)
So lonely
(So lonely, so lonely so)
