[Verse 1]

Sometimes you hate me
Sometimes you don't
Sometimes you tell me
You just don't know
Sometimes you want me
Then you want me to go
Something inside me says to hold on
And somehow, girl I knew, you'd come back home

[Chorus]

Now it's so good to know
Good to know
Oohh Baby
Now, that we're here,
And we're both still in love and together,
Girl now, that it's clear
That we won't ever find no one better
Girl let's stay together forevrrr more
Let's stay together girl
Yea

[Verse 2]

We done been through it girl
We done gone back and forth
We been through the hoopsie and the hoopster
Be fighting like cats and dogs
Still with everything going on
We fit like a hand and glove
It's a strange love
And somehow girl I knew, you'd come back home

[Chorus]

Now it's so good to know
Ohhhh ohh baby
Now, that we're here,
And we're both still in love and together,
Girl now, that it's clear
That we won't ever find no one better
Girl let's stay together forevrrr more
Let's stay together girl

Yea

[Verse 3]

Our first night

Our first date

You wore that red dress

Gettin to know you

Findin your way back to me

[chorus X2]

Now, that we're here,

And we're both still in love and together,

Girl now, that it's clear

That we won't ever find no one better

Girl let's stay together forevrrr more
