Performed by jermaine jackson featuring babyface

When I heard that you were looking for a love right
away
I knew I was the one
Ain't no point in looking anymore...more
Girl I'm sure 'cause i
I know what you've been missing
And I'm standing here to listen
Girl I will give you undivided attention to your heart
Heart girl I want to

Treat you right
Treat 'cha like a lady
Treat you right
Treat 'cha like my baby
Treat you right
Treat you like the lady you are

Girl we need to be united right now, yeah
Lets' get the fire ignited you'll see
There's no point in waiting anymore...more that's for
sure

I wanna give you my kisses girl
I wanna give you my whole damn world
I wanna give you my heart (my heart), my soul (my
soul), don't you know

Get this girl, I really wanna get with you girl
I wanna give you my rock, my roll, my sexy soul
Girl I want to

Hook

I wanna make you fell like you're in heaven, oh baby,
yeah
I wanna make you fall in love forever
Don't you know that

Girl...i wanna be included in your life, baby

Girl come on let's do it tonight, yeah
There is no point in waiting anymore...more
Girl I want to
