I been bad, bad as any other
But I don't wanna be bad no more
And I been guilty, cheatin' on my lovers
But I don't wanna mess around no more

Because I finally found a lady that means everything
I promise I will never break her heart
This time I'll be committed and that's what I'll be
I found my angel, I found my star

Ya know you're truly something special
And I'll keep you right here
In my heart, baby
And you know I'm sincere
Ya know you're truly something special
And I'll keep you right here
In my heart, baby
And I'll hold you so dear

To me

I can be good, good as any other, but i
But I been bad for so long, yeah

I wanna be good
Your one and only lover
And i, I want you to keep me strong

There are no indecisions
I've made up my mind
You're the only girl for me, yeah
It's time I started listenin' to this heart of mine
I finally found the girl of my dreams

Hook

I wanna know do you, you wanna go with me, baby
Come on and marry me, babe
This time I will be true

Girl, always for you

Hook

I can be good, I wanna be good your one and only and
can you keep you keep me strong I know I been bad for
much too long now I'm sincere I wanna keep you right
