Ooo been such a long time my baby girl can't wait and, how I do
anticipate Ooo holding you closely my darling
dear Don't you think it's time that we rejuvenate Our
visions of love and the way that we feel, let's make it
real Been much too long baby can't we make up for
lost time tonight (we're makin' love) we're makin'
love tonight yeah baby We're making whoopee We're
gonna share our love tonight We won't stop til we get
it right We're makin' love tonight We're makin'
love We're makin' whoopee Sharing love
tonight We're gonna share our love tonight Ooo hold
me real tight please my baby love Just relax and I'll get
down to business girl Yes kiss me all night please my
baby girl I promise to love you til the morning comes I'll
do to you all the things you do to me I'll fulfill your
needs You see it's been too much long baby Can't we
make up for lost time tonight Hook And when that
moment comes Oh what a joy it will be baby I'm gonna
work you like Work ya til we're both in ecstasy
baby Ooh baby While we're makin' love Makin' love
tonight Hook Cause we're gonna make sweet love
tonight Won't stop til we get it right Gotta work it baby
work it all night Gonna make up for lost time Ooh we're
gonna share our love tonight Cause we won't stop, we
won't stop girl We're makin' love tonight
baby We're makin' whoopee tonight girl We're
gonna share
