When can my heart beat again?  
When does the pain ever end?  
When do the tears stop from running over?  
When does 'You'll get over it' begin?

I hear what you're saying  
But I swear that it's not making sense  
So when can I see you?

When can I see you again?  
When can my heart beat again?  
When can I see you again?  
When can I breathe once again?  
And when can I see you?

When does my someday begin?  
When I'll find someone again  
And what if I still am not truly over?  
What am I supposed to do then, babe?

Do you see what I'm saying?  
Even if, if it's not making sense  
So when can I see you?

When can I see you again?  
When can my heart beat again?  
When can I see you again?  
And when can I breathe once again?  
And when can I see you again?

Yeah, baby, do you see what I'm saying?  
Even if, if it's not making sense, baby  
So when can I see you again?

When can I see you again?  
Can my heart beat again, baby?  
When can I see you again?  
And when can I breathe once again?  
And when can I see, babe, again?

Wanna see you again, again
