When can my heart beat again?  
When does the pain ever end?  
An' when do the tears stop from running over?  
When does you'll get over it begin?  
I hear what you're saying but I swear  
That it's not making sense  
So when can I see you?

When can I see you again?  
An when can my heart beat again?  
When can I see you again, babe?  
An' when can I breathe once again?  
And when can I see you?

When does my someday begin?  
When I'll find someone again?  
And what if I still am not truly over?  
What am I supposed to do then, baby, baby?  
Do you see what I'm saying even if  
If it's not making sense?  
So when can I see you?

When can I see you again, babe, yea?  
An' when can my heart beat again, yea?  
When can I see you again, yea, babe?  
And when can I breathe once again?  
And when can I see you, again?

Yea baby  
Please hear what I'm saying even if  
If it's not making sense, baby  
So when can I see you again?

When can I see you again, yea?  
Can my heart beat again, baby, yea?  
When can I see you again, babe?  
And when can I breathe once again?  
And when can I see you, aye, a again?  
Again

Now when you love me you know  
I wanna see you again, yea

Again
