Sleigh bells ring, are ya listenin'
In the lane, snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in a winter wonderland

Gone away is the blue bird
Here to stay is the new bird
He sings a love song as we go along
Walkin' in a winter wonderland

In the meadow we can build a snowman
And pretend that he is possum brown
He'll say, "Are you married?", we'll say, "No man!"
But you can do the job when you're in town
Later on we'll conspire
As we dream by the fire
To face unafraid, the plans that we made
Walkin' in a winter wonderland

In the meadow we can build a snowman
And pretend that he is possum brown
He'll say, "Are you married?", we'll say, "No man!"
But you can do the job when you're in town

Later on we'll conspire
As we dream by the fire
To face unafraid, the plans that we made
Walkin' in a winter wonderland
