Wish that I could tell you
How I really feel
I wish you could believe my
Love for you is real

All I know is
I ain't much without you
You really are
The better part of me, yeah

No matter I would go
Girl, I want you to know
You're my moon, river, my dream
Maker of my soul, mature like gold, oh beautiful

Beautiful
(Ooh, baby)

Wish that I could change
The way things might have been
I wish we could start over
And fall in love again

All I know is
I won't ever doubt you
I wanna live inside
Your heart again

Ooh, no matter how it goes
Girl, I want you to know
You're my moon, river, my dream
Maker of my soul, mature like gold
You're my moon, river, my dream
Maker of my soul, mature like gold, my beautiful

You're my moon, river, my dream
Maker of my soul, mature like gold
You're my moon, river, my dream
Maker of my soul, mature like gold, oh beautiful

Wish that I could tell you
How I really feel
