Said it's a long nights, no rest for the weary  
Your baby keep cryin', he just won't go to bed  
Feels like you gon' die, you know you gotta get up early  
There's not enough time for love 'cause if you can't get  
what you want

Well I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

The rent is fast too, you're not gonna make it  
The telephone haunts you, you just can't pay the bills  
Your car is broke down and the baby gotta go to school  
Your feelin' left out like nobodys gonna care for you

Well I gotta go crib girl, a room for your kid girl  
So just put your mind at ease  
'Cause I got the cash girl to pay down your rent girl  
So you can spend time with, spend some time with me

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

Sugar, sugar, sugar, sugar

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out  
There ain't no doubt, I'm working it

I'ma work it all, work it all, work it all, work it all out  
So we can freak it on, freak it on, freak it on, freak it on  
down  
I'ma work it all, work it all, work it all, work it all out
