My love
I'll never find the words, my love
To tell you how I feel, my love
Mere words could not explain

Precious love
You held my life within your hands
Created everything I am
Taught me how to live again

Only you
Cared when I needed a friend
Believed in me thick and thin
This song is for you
Filled with gratitude and love

God bless you
You make me feel brand new
For God blessed me with you
You made me feel brand new
I sing this song 'cause you
Make me feel brand new

My love
Whenever I was insecure
You built me up and made me sure
You gave my pride back to me

Precious friend
With you I'll always have a friend
Someone who I can depend
To walk a path that never, never, never, never, never,
never, never, ends

Without you
My life has no meaning or rhyme
Like notes to a song out of time
How can I repay, you for having faith in me

God bless you
You make me feel brand new
For God blessed me with you

You made me feel brand new
I sing this song 'cause you
You make me feel brand new

For God blessed me with you
You make me feel brand new
I sing this song 'cause you
You make me feel brand new

For God blessed me with you
You make me feel brand new
I sing this song 'cause you
