Written by babyface, bryce wilson (1996) Performed by
toni braxton I'll always think of you
Inside of my private thoughts
I can imagine you Touching my private
parts With just the thought of you
I can't help but touch myself
That's why I want you so bad
Just one night of Moonlight,
with you there beside me
All night, doin' it again and again
You know I want you so bad
Baby, baby, baby
Oooh I get so high
When I'm around you
I can touch the sky
You make my temperature rise
You're makin' me high
Baby, baby, baby,
baby
Can't get my mind off you
I think I might be obsessed
The very thought of you
Makes me want to get undressed
I wanna be with you
In spite of what my heart says
I guess I want you too bad
All I want is Moonlight,
with you there inside me
All night, doin' it again and again
You know I want you so bad
Baby, baby, baby
Hook
I want to feel your heart and soul inside of me
Let's make a deal
You roll, I lick
And we can go flying into ecstasy
Oh darlin' you and me
Light my fire
Blow my flame
Take me, take me, take me away
Hook 2 times
