Written by babyface (1994)

Performed by a few good men

Baby, baby, baby
If there's anything you want
Of anything you desire
And darling, darling, darling
If there's anything you need
I'm here to satisfy

I wanna be there for you
Down to the wire
Wanna be the one who lights your fire
Call my name and I'll ignite the love you feel for me

If you're ready for love
Tell me what you want
It's time for love
Young girl, come give your love, your love
If you're ready for love
Tell me what you want
It's time for love
Young girl, come give your love, your love

Baby, baby, my baby
Anything you ask of me
Your wish is my command
I'll go down to your knees
And darling
You can ask for anything
If you just take my hand, baby
Come on and take my hand
Whatever you please (whatever you please)

I wanna make love to you
All the time
I wanna be freakin' you

Every night yeah
Call my name girl if you decide
You wanna freak with me

Hook

Anywhere, anyplace, anytime you call
I will be waiting patiently, baby
Anything you want
Just ask it so
I'm always here to comfort you
Every second of the minute
Every minute of the hour
Every hour of the day
Every day of the week
Every week of the month
Every month of the year
I'm here for eternity

Hook

'cause anything you need
I got it baby
Anything you want
I'll give it lady
Young girl, come give your love, your love

'cause anything you need
I got it baby
Anything you want
I'll give it lady
Young girl, come give your love, your love

Hook (repeat to fade)
