I know it's been a while, but I'm back again  
Yeah, it's hurting time so throw the stone  
'Cause you got nothing on me

Blood on my hands, I've been digging deep  
But I found my way back up  
Yeah, we carry the cross, the true believers  
You will never break us down

Babylon's burning  
Licking the flame  
Babylon's burning  
Feeling no shame  
Babylon's burning  
My soul's on fire, burning hot  
Babylon's Burning  
Kicking the dust  
Babylon's burning  
Peel off the rust  
Babylon's burning  
We bring the goods  
Like you know we would

So let's hear what you have to say  
And all the lies you want to tell  
Yeah, It's like you are pissing in the wind  
'Cause you got nothing on me

Rolling on down the decadence drive  
Live prom day to day  
Yeah, you can follow the trail  
But you'll never catch up  
If you get the taste there's no turning back

Oh, it feels so right  
Hit the stage into the light  
Non-believers and deceivers  
A dirty sin black as the night
